

This request for Quotations (RFQ) covers the establishment of a firm-fixed price purchase order for the procurement of (1) shipboard monitor in accordance with the requirements set forth in the specifications. The Government intends to award a firm-fixed price purchase order to the responsible offeror whose quotation is determined to be the most advantageous to the Government, price and other factors considered. Quotations will be evaluated based on the technical capability of the shipboard monitor. Technical capability will be considered more important than price. As part of any quotation submitted in response to the RFQ, offerors must provide information such as detailed descriptions, published brochures, etc., that demonstrate the shipboard monitor being offered will meet the requirements set forth in the attached specification. Quotations that do not include information on the shipboard monitor being offered or that include information that fails to show the shipboard monitor meets the specification requirements will not be considered for award. This RFQ is issued using Simplified Acquisition procedures pursuant to the Test Program for certain commercial items in accordance with subpart 13.5 of the Federal Acquisition Regulation (FAR).
